

# ENTRANT CAMPING INFO

Entrant Camping is slightly different to spectator camping and ensures entrants and their buddies, clubs or groups wanting to camp together will have enough space allocated for 4 days of extreme horsepower partying.

Spectators can pre reserve campsites [here](#).

All entrant camping grounds have access to power as well as toilet and shower facilities.

## WHO CAN CAMP?

Each person camping at Summernats must have (1) a Season Pass and (2) a Camping pass – Season Passes include Entrant, Buddy, Season and Platinum Passes.

A Camping Pass is required to be purchased by each person camping in addition to a Season Pass.

Anyone aged 16 and under planning to camp at Summernats, MUST be accompanied by a responsible adult at all times.

## HOW DOES ENTRANT CAMPING WORK?

1. Complete the online car entry form. Save as you go.
2. Ensure you have selected (1) an Entrant Pass, (2) an Entrant Camping Pass and submit Car entry with payment.
3. Complete the '[Entrant Campsite Reservation](#)' Form. Listing all entrants camping with you including the main contact person.
4. Email the 'Entrant Campsite Reservation form' to [admin@summernats.com.au](mailto:admin@summernats.com.au)
5. Campsite confirmations are emailed to the main contact.
6. Order your marquee from our preferred supplier, Barlens. (Marquees are optional and ground space must be confirmed prior to ordering)
7. Check into camping at the, Gate 9, Gate 7b or at the drive through 'Camping check in' when you are leaving scrutineering.
8. Proceed to campsite for set up.

## DO I NEED TO RESERVE AN ENTRANT CAMPSITE?

We highly recommend you reserve your entrant campsite to ensure you do not miss out and are all set for the best camping experience. Entrants, who have not reserved a site, will be allocated a space upon arrival. Space may be limited and site sizes may vary.

## ENTRANTS CAMPING TOGETHER AS A CLUB OR GROUP?

Fellow entrants and their buddies are welcome to camp together however, buddies cannot reserve campsites in entrant areas. The size of campsites for group allocation is determined by the amount of 'paid entrants' listed on the form.

Club and Group reservations require only one form per group to be submitted with a primary contact.

It is up to the primary contact to ensure that all listed entrants have fulfilled the requirements before campsites can be allocated.

Entrants leaving vehicles onsite overnight are also required to purchase a camping pass even if the entrant is not camping. This allows access to the entrant vehicle 24/7.

## WHAT SIZE CAMPSITES ARE AVAILABLE?

Each entrant is entitled to one approximate 6m x 5m site. The entrant, tent, entrant vehicle, camping gear and all buddies need to be able to fit within the allocated space given.

Larger campsites are made up of several entrants camping together. i.e. Six entrants will give you six sites together and a ground space of approx... 180 sq. All six entrants listed must have paid the entrant camping component to secure sites.

## CAN I CHOOSE WHERE I CAMP?

Yes. Be sure to indicate at least three preferences on the campsite reservations included site map and we will do our best to accommodate you.

Previous entrant campers have right of first refusal provided they have submitted their campsite reservation form before 31 May to secure the same site/s.

New entrants wanting high demand areas will need to wait until after 31 May before we can confirm availability of previously reserved campsites and will be allocated first come first served basis of forms received.

## HOW CAN I RESERVE THE SAME SITE I HAD LAST EVENT?

Entrants, who would like to reserve the same site/s as the previous year, are still required to complete a new reservation form each year and must have it submitted to the Summernats Office by 31 May to secure the same site/s.

## WHO DO I CONTACT TO ORGANISE A MARQUEE?

Hire of marquees and other equipment are the entrant's responsibility and can be organised directly through our preferred supplier, Barlens Hire on (02) 6206 2020. Give them a call and ask for a deal. They will be happy to help out.

**Note: Due to many inconsistencies over the years, as of Summernats 34, 2021, Barlens Hire will be the nominated provider for all marquees on site, there will be no access for outside providers.**

If you have organised a marquee through a non- preferred supplier for Summernats 33, you MUST advise the Summernats Office of the company details and the dimensions of the marquee and the supplier is MUST contact Summernats to arrange permission to build.

All appropriate documentation such as, Work Cover, Public Liability, Safe Work Method Statement and engineering certificates MUST be provided before ANY structure or build is commenced.

*Note: Summernats management reserve the right to refuse campsite reservations and/or move entrant campsites at our discretion if deemed necessary.*

## WHEN CAN I CAMP?

Entrant camping opens from 7am Thursday via Gate 9 or Gate 7B provided the entrant and their vehicle have cleared scrutineering. ALL Entrants and their vehicles are not permitted into Exhibition Park until their vehicle has cleared scrutineering.

NOTE: There will be NO Entrant camping available Tuesday or Wednesday- NO exceptions.

Entrant vehicles cannot be left on campsites prior to Thursday.

## WHAT CAN I BRING?

- A small gas BBQ - ensure the gas bottle is approved for safety.
- A Safe power lead. Must be tested and tagged. (lead testing and tagging service is available at Summernats for a small fee)
